By this petition the petitioners seek grant of concession to carry over the term after having exhausted the facilities available under the ATKT rules of the University.

University has by its Circular No.385 of 2005 dated 27th September, 2005 given option to these Third Year Engineering students to take the old course or revised course with certain other subjects.

Intimation of this option is also given to all Colleges. In such circumstances, we see no reason to interfere. Petition dismissed.
